SUMMARY OF ACTIVITIES UNDERTAKEN WHILST ON EXCHANGE (MAXIMUM 300 WORDS)

REPORT ON OUTCOMES OF EXCHANGE/COLLABORATION (MAXIMUM 150 WORDS FOR EACH SECTION)

Summarise the results achieved since the commencement of the grant, including reference to any resulting publications, and relate these to the original aims of the research collaborations.

Describe the progress that has been made with the transfer of any knowledge or technology that has resulted from the collaborative research assisted by the scheme. For example, for research conducted with an industry partner, describe the commercialisation and diffusion outcomes achieved. Alternatively, outline the benefits that have resulted to both countries from the supported research.

Describe how the project has been enhanced by collaboration with the German partner, including reference to the complementary and/or transfer of expertise and further academic training and specialisation of young researchers.

Describe the overall benefits to your research project as a result of your participation in the scheme.

Other comments. For example, provide comments about how the scheme might be improved in the future.
